Teach safety: "National Night Out" August 3, 2004

- ❖ Bring your children by the Clubhouse Commons Area, Tuesday, August 3rd, 2004, between 7:00 and 8:00 p.m. to be able to see a fire-fighter in full gear and learn that he or she is someone who saves children – **not** someone to be afraid of or hide from in case of a fire. Fire Safety Awareness Tips will also be shared...

Up to Date Records

Accurate and up-to-date records prove invaluable to those searching for missing children. Any current information about the child should be kept on hand, especially photographs and fingerprint cards. *The more recent the better.* Because children change so quickly, it's a good idea to up-date photos at least twice a year.

- ❖ Update your Children's Finger Print Cards –
 - Compliments of Harris County Sheriff's Department.

Block Parties Made Easy!!!

There was a time when neighbors knew each other, waved and spoke to each other and were there for each other when there was a need. Many of us can even remember a time when we were young and did something wrong there was a good chance that a neighbor would tell your parents. Today, people don't seem to want to get involved. National Night Out is a good opportunity to being committed to help make this change. The truth is, neighbors who feel a sense of belonging or connection are more likely to look after each other. A block party is a great way for a neighborhood, a block, or even a single street to get to know their neighbors. Contact your block captain today and find out what you can do to help make your block party a success! Find out who's hosting it on your street? Ask what you should bring? Get involved... Your neighborhood needs you...

Retiring Old Glory

When the United States flag (Old Glory) becomes worn, torn, faded or badly soiled, it is time to replace it with a new flag, and the old flag should be "retired" with all the dignity and respect befitting our nation's flag. The traditional method of retirement is to incinerate the flag, but this does not mean that one should simply drop the entire flag (intact) into a fire. Scouts across Houston are collecting worn flags to retire September 11th at Six Flags AstroWorld to honor those who perished. Bridging Brownie Girl Scout Troop #11005 will be collecting flags in our community the eve of National Night Out, Tuesday, August 3rd, in the commons area of our subdivision for this cause. Please make a note of any special meaning your flag may have and drop it off between the hours of 7:00 and 8:00 p.m.
