## Spring Cypress October 31<sup>st</sup> Fall Festival

Spring Cypress Presbyterian Church and Schools are hosting their annual safe and fun alternative to Halloween on October 31st from 6:00 p.m. to 8:00 p.m. in their lighted multi-purpose pavilion. Children will enjoy a variety of carnival games, moonwalks, prizes, and candy, and older children will enjoy the activities as well. A hot dog dinner will also be available. Something for everyone will make this a fun family time in a safe environment. Spring Cypress Church and Schools Campus is located at 6000 Spring Cypress Road, between Kuykendahl and Stuebner Airline. For more information, please call the church at 281-320-3660 or the school at 281-320-3650. See you there!!

### “Make a Difference Day”

Make a Difference Day is a national day of helping others! Created by USA Weekend Magazine, Make a Difference Day is Saturday, October 23<sup>rd</sup>. In 2003, 3 million people cared enough about their communities to volunteer on that day. Please help Troop #11005 – make a difference in our community. We will meet at 1 p.m., October 23<sup>rd</sup>, in the common areas of the Clubhouse Grounds. We hope to plant flowers, pick up trash, wash windows, clean our clubhouse,

# Meeting Minutes...

Meeting Minutes – Tuesday, September 14, 2004. Meeting canceled – no forum.

## Halloween Safety

It's that time again when children enjoy dressing up and roaming the neighborhoods in search of some of their favorite candy. Here are some things we can do to help make this Halloween safer for everyone:

### 1. LIGHTING:

a. Make sure the pathway to your home is well lit. If you are using candles to light the way, make sure they are a safe distance from the sidewalk or driveway. Some children wear items made of paper or carry paper bags.

b. If you are going to use the "dark" affect, make sure there are no tripping hazards in the way.

### 2. CLOTHING:

a. Use clothing or a costume that allows others to see your child from a safe distance. It's not uncommon for some children to ride their bikes, roller blades, or skateboards from house to house. Some children can travel at high speeds on these things and before you know it, they can be right on top of you.

b. Avoid using paper costumes. More and more people are lighting their pathways with small candles. These often invite a curious child in for a closer look.

### 3. CANDY:

a. Talk with your children about eating candy before they get home. You should inspect the candy before they eat it. If you are not going out trick or treating with your child, buy them some of their favorite candy to eat along the way.

b. Make sure you inspect "all" the candy. Anything that looks like it was tampered with should be thrown out. It's best to error on the safe side.

### 4. GROUPS:

a. Make sure your child walks or rides around with other children and "never" alone.

b. Children should be told under no circumstance are they to go up to any "vehicle" or stranger during the evening. I use the word vehicle because some children will think its o.k. to go up to a van or bus if you tell them to stay away from all "cars". There are many ways you can provide a night of great entertainment without going out.

## Schultz Students Support U.S. Military

The students of Schultz Elementary School are participating in Operation Interdependence as a way to show support for military personnel deployed to combat zones. Librarian Gayla Darling suggested the project to the campus administration and teachers so that the students of Schultz could make a difference for those serving in active duty in dangerous locations. Operation Interdependence provides an opportunity for students to donate small items including individual packets of condiments, travel size grooming items, and personal notes written as a part of the language arts curriculum. Darling reports that in the first weeks of the project, students have shown their generosity and patriotism through their contributions. Student Chandler Barnett said, "Our soldiers are very brave to be doing this for our country. They are making a difference. I told the soldier I wrote that he is a great

person.” Teacher Helen Smith wants her students to participate in Operation Interdependence because this war is a part of American history. She said, “Letters to soldiers make children feel that they are a part of this history making process.”
