Prayer

"Lord, hold our troops in your loving hands. Protect them as they protect us. Bless them and their families for the selfless acts as they perform for us in our time of need. We pray for our ground troops in Afghanistan, sailors on ships, and airmen in the air, for those in Iraq, and for all those who have chosen to serve to protect OUR Freedom. Amen." A NATION REMEMBERS...

President Bush Proclaims September 11 as Patriot Day ~ September 4, 2002

On this observance of Patriot Day, we remember and honor those who perished in the terrorist attacks of September 11, 2001. We will not forget the events of that terrible morning nor will we forget how Americans responded in New York City, at the Pentagon, and in the skies over Pennsylvania -- with heroism and selflessness; with compassion and courage; and with prayer and hope.

We will always remember our collective obligation to ensure that justice is done, that freedom prevails, and that the principles upon which our Nation was founded endure.

Inspired by the heroic sacrifices of our firefighters, rescue and law enforcement personnel, military service members, and other citizens, our Nation found unity, focus, and strength. We found healing in the national outpouring of compassion for those lost, as tens of millions of Americans participated in moments of silence, candlelight vigils, and religious services. From the tragedy of September 11 emerged a stronger Nation, renewed by a spirit of national pride and a true love of our country.

Those whom we lost September 11 will forever hold a cherished place in our hearts and in the history of our Nation. As we mark the anniversary of that tragic day each year, we remember their sacrifice; and we commit ourselves to honoring their memory by pursuing peace and justice in the world and security at home. By a joint resolution approved December 18, 2001 (Public Law 107-89), the Congress has authorized and requested the President to designate September 11 of each year as "Patriot Day." GEORGE W. BUSH
