Fall Fun Stampin' and Scrappin' Workshop!

When: Saturday, October 22nd from 10:00 am 'til 6:00 pm

Where: 25030 Barmby Drive in Londonderry ... home of Mandy Conrad

What: This is going to be so fun! We'll be featuring the stamp marvels of Stampin' Up, making scrapbook layout pages with Creative Memories, and filling our tummies with goodies from Homemade Gourmet.

Our theme is Fall/Fall Holidays, so bring some pictures that have something to do with the season. First, we will make embellishments with stamps and inks, and then we will make a 12x12 layout spread (that's 2 pages) for your scrapbook, using these embellishments. We will have colorful paper, stamps, and punches plus we will be cropping, shaping and matting our photos, however you choose to do it. While we're doing all this fun stuff, we will have food goodies provided for us. And, here's the best part ... IT'S ALL FREE!! Since it's an open house, feel free to come and go as you please. So, gather a friend or two and come spend some time with us. For any questions, please email Mandy at: mlconrad@houston.rr.com

11th Annual Children's Festival 10:00 am

\$5 in advance, \$6 at the door. Preferred Parking now available at all Ticketmaster locations and the Pavilion Ticket Office for \$5 plus service charge.

Children's Festival - The Children's Festival is designed to educate and entertain elementary and intermediate school students through a fascinating lineup of storytelling, music, dance and audience participation. It showcases award-winning performers with a diverse assortment of performances, including puppetry, music, dance, theater, and the beauty of sign language and humor. While acts entertain, they also incorporate important educational lessons into their material. Teachers' curriculum guides are available from all artists to help integrate performance content with language arts, social studies, history, arts and music curricula. The Festival is a four-day event. The weekdays are strictly devoted to school field trips, while the weekend is open to the public.

Some safety rules for Halloween treats:

- Children shouldn't open goodies before parents check all items.
- Children should not accept or eat treats that are not commercially wrapped. When kids bring treats home, parents should discard homemade candies or baked foods.
- Parents should examine commercially wrapped treats for signs of tampering, including pinholes or tears in wrappers. Keep an eye out for treats with a discolored or unusual appearance. Discard anything that looks suspicious.
